

UMSL | Diversity, Equity & Inclusion

EQUITY ADVISOR TRAINING

Thanks to the generous support of the National Science Foundation for UMSL ADVANCE, the Office of Diversity, Equity, and Inclusion is pleased to announce Equity Advisor Training in Summer 2022.

This training is open to all faculty and staff and will focus on best practices for working with committee chairs, committee members, and equity throughout hiring, promotion, and advancement processes,

especially in STEM and other departments/units where women and minorities have traditionally been underrepresented.

Equity Advisors will serve on committees outside of their own department/work unit to provide impartial and unbiased support for inclusive excellence. However, this training will also enhance the capacity of individuals to serve as highly effective committee members within their own departments/units for cultivating and promoting inclusive excellence.
