

Recreation and Wellness Center

Fitness Technician

Department Mission:

Campus Recreation's mission is to enhance lives by providing outstanding recreational opportunities and experiences for the diverse UMSL community.

Position Responsibilities:

- Ensure operation of machinery by completing preventative maintenance duties.
- Troubleshoot issues and locate sources of problems through observing mechanical devices and listening for problems.
- Demonstrate exceptional communication to inform supervisor of all equipment maintenance issues.
- Daily routine cleaning of fitness areas to include but not limited to: detail cleaning of fitness equipment, assemble new equipment, mopping of stretch mats and floor, and vacuuming of debris throughout all fitness areas.
- Maintain a clean and safe working environment.

Requirements:

- Must be flexible to meet the needs of various work schedules; early morning, late evening, and weekends.
- While on duty physical exertion could be demanded. While performing duties the employee will frequently be required to stand, kneel, squat, stoop, communicate, reach, pull, push, and manipulate objects.
- Follow diagrams, sketches, operation manuals, and manufacturer's instructions.
- The position requires mobility.
- This position requires the ability to effectively communicate.
- Technical understanding, basic safety, and attention to detail.
- Could be exposed to blood borne pathogens. Must be able to lift 50 lbs.
- Minimum GPA: 2.0

Compensation:

\$8.50 an hour

Required Training Dates:

Tuesday, April 23

April 24-May 1 (one day)

August 14-15
