

women 2.0

St. Louis City Meetup

Real connections. Real people. Real time.

Women 2.0 City Meetup is a community-driven networking event held in 20 cities globally. City Meetup aims to connect, inspire and advance authentic relationships in the technology ecosystem. City Meetup is inclusive of the entire ecosystem and those aspiring to be a part of it — founders, executives, employees, investors, engineers, designers, business/marketing professionals — all innovating the world around them.

Thursday, February 5
6:30 – 8:30 pm
UMSL at Grand Center
3651 Olive Street

Free admission for UMSL students and faculty!
