Dr. Albert Zink
Scientific Director
Institute for Mummies and
the Iceman
EURAC research

Albert Zink received his PhD (1998) at the University of Munich, where he also finished his habilitation (Assistant Professor) in 2005. He is director of the Institute for Mummies and the Iceman in Bolzano, Italy.

His major scientific interest is the evolution of infectious diseases and the impact of diseases on historic populations and their development.

He is currently president of the Society of Anthropologists in Germany.
